Publication: Proc. U.B.S.S. . 1965, 10(3), 195-258

Excavations under the direction of Mr. A.M.ApSimon, now, 1970, Dept. of Archaeology, University Southampton.

All the objects found, including the coins (a few are with UBSS but could not be found in April 1970), are in the Borough Museum, Weston-super-Mare, Somerset.

All the site notebooks and other records are held by A.M.ApSimon except the photographic site lists of 1958, which is with UBSS.

UBSS holds only photographic material mainly in the form of 2 x 2 in slides of 1957 excavations. For 1958 excavations UBSS holds 2 x 2 in slides and negatives for those in black and white. There are prints from some of the B & W negs. and there are a few prints for which there are no negatives. Mainly those taken by an air company. Photographic material is also held by Dr. H. Taylor of 639, Muller Road, \* Bristol for 1957 and 1958 but not all his record numbers are known. Mr. Frank Frost of 71, Hazelbury Road, Knowle, Bristol 4, also holds photographic material for 1958 excavations.

The photographic material for the 1957 excavations, except 2 x 2 in. slides M24.0/1 - 33, is held by Mr. A.M.ApSimon.

The photography in 1958 was done by Dr. H. Taylor (HT) and Mr Frank Frost

\* 1974 All negatives transferred to U.B.S.S. and entered in catalogue
