

Report for Year 1928—1929.

Throughout the year the Society has continued its work both on the Mendips and in the Wye Valley. In addition members of the Society carried out excavations of considerable importance in Ireland, a full report of this work is included in this number of *Proceedings*.

MENDIP REGION.

Excavation has been continued at Aveline's Hole and Sun Hole. At the former site excavations inside the cave are almost completed, but much work remains to be done on the entrance platform.

WYE VALLEY.

Work at Merlin's Cave has been completed and it is hoped that a full report on that cave will be made in the next number of *Proceedings*. Excavations at King Arthur's Cave are progressing steadily.

GRANTS.

Our thanks are due to the Colston Research Committee for a grant of £50; to the University Council for £15 toward the cost of production of *Proceedings*; to the Guild of Undergraduates for grants of £30 for general expenses, including £10 toward the cost of *Proceedings*; and £30 for Capital expenditure.

LIBRARY.

A considerable number of additions have been made to the Library and our thanks are due to: Dr. K. Absolon, Dr. R. C. C. Clay, Dr. Cyril Fox, Dr. J. W. Jackson, Prof. L. S. Palmer, Prof. and Mrs. Dobson, Messrs. W. H. Ackland, S. B. Adams, C. F. Moysey, J. H. Savory, E. K. Tratman and F. B. A. Welch.
